beading needle (size 10 or 12)  
beading thread (S-Lon, Nymo...)

Difficulty: for beginners and intermediate

1) String 1x M8/0, 2x Rulla, 1x M8/0 and 1x Ginko (from inside).

2) String 4x T11/0 and go back through the free hole of Ginko (from outside).

3) Repeat steps 1) and 2) two times.

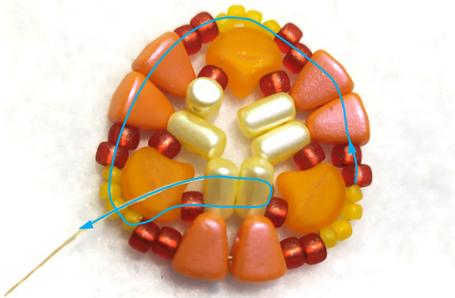

**4)** Tie the beads together with a double knot.

**5)** Pass through M8/0, 2x Rulla, M8/0, 1x Ginko (from inside) and 4x T11/0.

**6)** Add 2x M8/0, 2x NB (wide end) and 2x M8/0 and go through the next 4x T11/0.

**7)** Repeat step 6) two times. Pass through Ginko (from outside), 1x M8/0 and 2x Rulla. Pass back through the free holes of two Rullas. Keep the thread tight.

**8)** Add 3x NB (narrow end) and pass through the free holes of the next two Rullas.

**9)** Repeat step 8) two times.

**10)** Pass through the next two NBs and pass back through their free holes (wide end). Go through the free hole of the next NB (narrow end). (Sometimes the bead needs to be turned to the correct position.) Add 1x T15/0 and go through the free hole of the next NB (narrow end). Go through the next three NBs in this row (wide end).

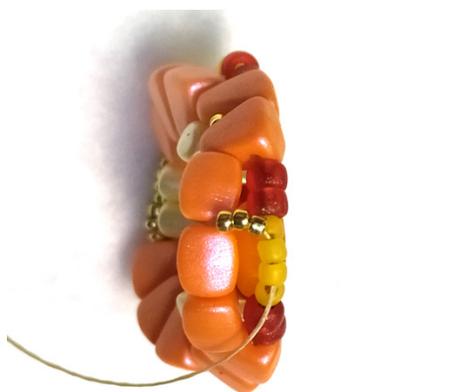

**11)** Go through the free hole of the next NB (narrow end). Add 1x T15/0 and go through the free hole of the next NB (narrow end). Go through the next three NBs (wide end). Repeat once more. Then pass through the next 1x NB (narrow end), 1x T15/0 and 1x NB (narrow end).

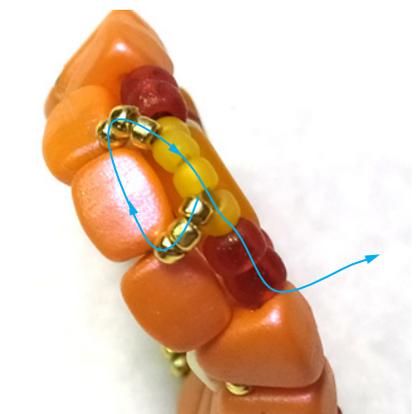

**12)** Add 8x T15/0 and pass through 1x NB (narrow end), 1x T15/0 and 1x NB (narrow end).

**13)** Pass through 8x T15/0 again and then pass through the beads as shown.

**14)** Add 3x T15/0 and go through the second and third T11/0.

**15)** Add 3x T15/0 and go through the same NB (wide end). Then pass through the beads between the second M8/0 and NB, as shown.

**16)** Turn the component around and string 3x T15/0, 2x T11/0 and 3x T15/0. Skip the next two NBs and go through 2x M8/0, 4x T11/0 and 2x M8/0.

**17)** Place the beads in the correct position (as shown) and tighten the thread. Repeat steps 16) and 17) two times. Finish with the knot and stitch. The main component is finished.

**18)** View of the back of the component.

**19)** Material for creating an earrings.

**20)** Use the jump ring (7-8mm) to connect both rows of 3x T15/0 with an earring hook.

**21)** Use the jump ring to attach the head pins with beads (or chain) to the row of 8x T15/0.
