Difficulty: beginner / intermediate

1) String four 8/0s, slide them to the end of the thread and tie a square knot to form a circle.

2) Pass through the nearest 8/0 bead

3) Add one new 8/0 bead and pass through the next 8/0 bead from the basic circle.

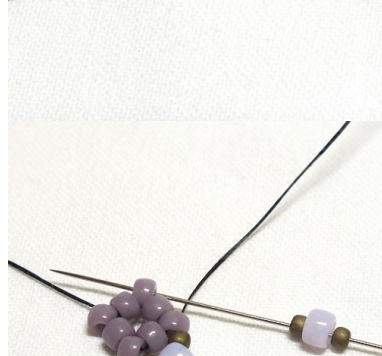

4) Repeat step 3 ...

5) ... until you reach the end of the row.
At the end of the row add one last 8/0 and then pass through two 8/0s - last one of the previous row and then the first one of this row

6) Add one 11/0, one 7/0 and one 11/0 and then pass through the next 8/0 from the previous row.

7) Repeat step 6 ...

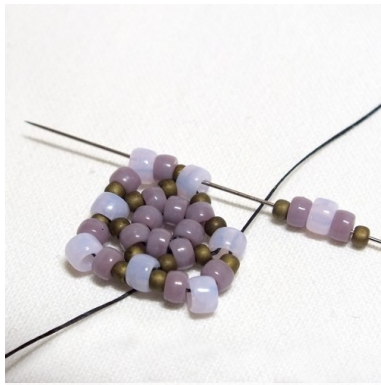

8) ... until you reach the end of the row.
At the end of the row you need to pass through one 8/0 from the previous row and one 11/0 and one 7/0 from this row

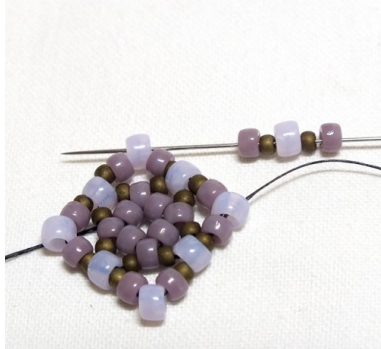

9) Add one 11/0, one 8/0, one 7/0, one 8/0 and one 11/0 and then pass through the next 7/0 from the previous row.

10) Repeat step 9 ...

11) ... until you reach the end of the row.
At the end of the row you will have to pass through the last 7/0 from the previous row and one 11/0, one 8/0 and one 7/0 from this row.

12) Add one 8/0, one 11/0, one 7/0, one 11/0 and one 8/0, then pass through the next 7/0 from the previous row.

14) ... until you reach the end of the row. At the end of the row, pass through one 7/0 from the previous row and then through one 8/0, one 11/0 and one 7/0 from this row.
Keep your tension as tight as possible - your work should now look like a little "bowl".

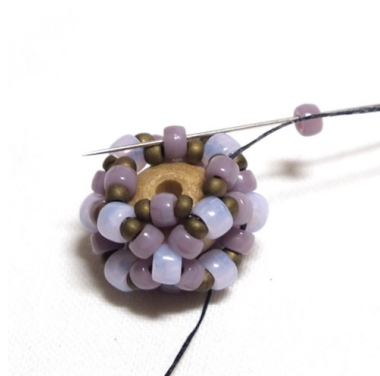

15) Put the core bead inside.
Add one 11/0, one 8/0 and one 11/0 and then pass through the next 7/0 from the previous row.

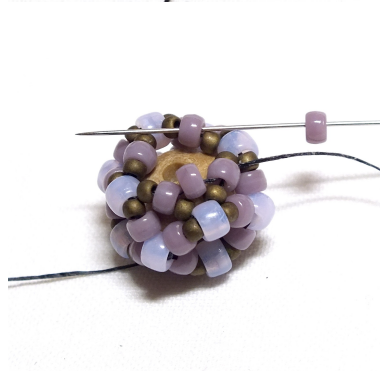

16) Repeat step 15 ...

18) Add one 8/0 and pass through the next 8/0 from the previous row.

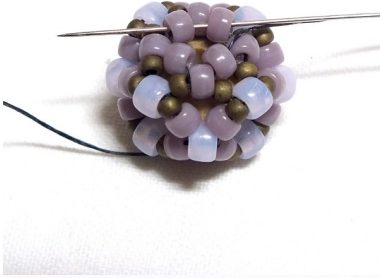

19) Repeat step 18 ...

20) ... until you reach the end of the row. At the end of the row, pass through the last 8/0 from the previous row and then through the first 8/0 from this row.

21) Weave through the four 8/0s you added in the previous row.

22) Weave through beads to get to one of the four 7/0s in the middle of the rondelle (as shown on the photo)

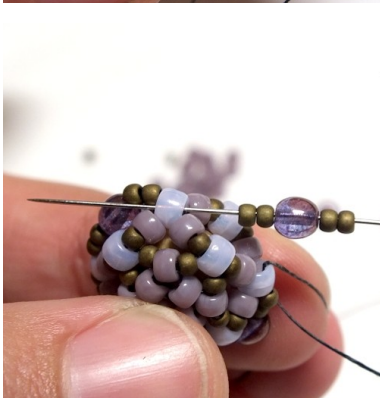

23) Add two 11/0s, one 4mm round and two 11/0s and then pass through the next 7/0 in the middle of the rondelle.

24) Repeat step 23 ...

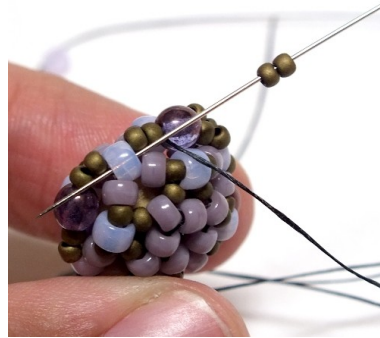

25) ... until you reach the end of the row.

26) (optional) Add two 11/0s and pass through the next 4mm round.

28) Tie a few half-hitch knots and cut off all the remaining thread.
