Eyepins 50mm (2 pcs)

Studs or any other earring component of your choice (2 pcs)

Beading needle size 10 to 12

Beading thread (Nymo, S-lon, Fireline)

Pliers – flush-cutter, flat-nose, round-nose

Difficulty: For beginners / intermediate

Note before you start: Keep the tense of the thread quite tough all the time to keep the beads together.

1) Thread your needle with a comfortable length of thread (approx.. 75cm) and string 1x 15/0, 1x Rulla, 1x 15/0, 1x Rulla... 5 pcs of each in total.

6) Repeat step 5 4 more times to finish this row. Pass the needle through the first Pinch bead of this row.

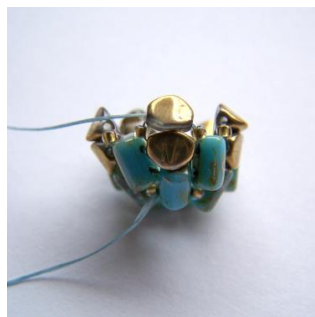

2) Slide all the beads to the end of the thread (leave a 20 cm tail) and tie a square knot to form a ring. Make step up to pass the needle through the upper hole of Rulla.

7) Exiting Pinch bead, pick up 1x15/0, 1xPinch bead, 1x15/0 and pass the needle through the same Pinch bead (make a little loop above Pinch bead). Pass the needle through the next Rulla and Pinch bead.

3) Exiting the upper hole of Rulla, pick up 1xRulla and pass the needle through the upper hole of the next Rulla.

8) Repeat step 7 4 more times. Pass the needle through the next Rulla, 15/0 and Pinch bead of this row.

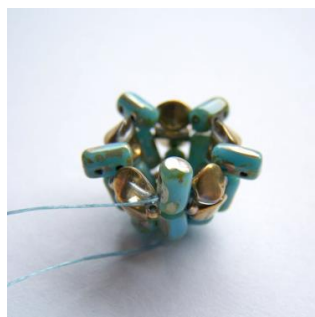

4) Repeat step 3 4 more times to finish this row. Pass the needle through the first Rulla of this row. Make step up as in step 2 (pass the needle through the upper hole of the same Rulla).

9) Exiting Pinch bead, pick up 1xRulla and pass the needle through the next Pinch bead.

5) Exiting the upper hole of Rulla, pick up 1xPinch bead and pass the needle through the upper hole of the next Rulla.

10) Repeat step 9 4 more times to finish this row. Pass the needle through the first Rulla of this row. Make step up up as in step 2 (pass the needle through the upper hole of the same Rulla).

11) Exiting the upper hole of Rulla, pick up 1xRulla and pass the needle through the upper hole of the next Rulla.

16) Pull your thread firmly and tie an overhead knot between every two or three beads as you work. Trim the working thread. Do the same with the other end of the thread.

12) Repeat step 11 4 more times to finish this row. Pass the needle through the first Rulla of this row. Make step up as in step 2 (pass the needle through the upper hole of the same Rulla).

17) Thread your needle with a comfortable length of thread and, leaving a 20cm tail, pick up 1xRulla, 1xPinch bead, 1xSmall Dagger, 1xBig Dagger, 1xSmall Dagger, 1xPinch bead and pass the needle through the second hole of Rulla.

13) Exiting the upper hole of Rulla, pick up 1x15/0 and pass the needle through the upper hole of the next Rulla.

18) Exiting Rulla, pick up 2x15/0, 1x7/0, 2x15/0. Make a square knot and pass the needle through all beads again to finish a shape. Tie an overhead knot between every two or three beads as you work. Trim the working thread. Do the same with the other end of the thread.

14) Repeat step 13 4 more times to finish this row. Pass the needle through the first 15/0 of this row.

19) Using an eyepin pick up 1x7/0 and 1xPinch bead and pass it through the beaded bead. Then pick up 1xPinch bead and 1x7/0 and make a plain loop on the other end.

15) To finish the beaded bead, pass the thread through all beads of the last row couple of times and then to fix and form whole bead together pass the needle through all beads of the beaded bead.

20) Using jump rings connect one end of the beaded bead with the little pendant (connect the plain loop and 7/0) and the other end of the beaded bead with an earring finding.

Repeat steps 1 to 20 to make the second earring.
